COURSES TAUGHT:

Undergraduate	Graduate
Engineering Mechanics, tutorial (1 st . Class)	
Engineering Management (3 rd . Class)	
Soil Lab. (3 rd . Class)	
Engineering Geology (1 st . Class)	
Applied Physics (1 st . Class)	
Building Material Lab. (2 nd . Class)	
Computer Programming Lab. (2 nd . Class)	

PROFESSIONAL AFFILIATIONS:

- Member of Iraqi Engineering Union
- Coordinator of Civil Engineering Department
- Head and Member for many committees in Engineering Faculty of Al-Mustansiriyah University.

PROFESSIONAL DEVELOPMENT

- Participation in Scientific Conference of the construction materials and the Requirements of Seismic Design in Engineering College of Al-Nahrain University 2016.
- Participation in Project Management Workshop in Engineering Faculty of Baghdad University 2016.
- Participation in some Workshops in Engineering Faculty of Al-Mustansiriyah University.
- Participation in Many Scientific Forums in Civil Engineering Department of Al-Mustansiriyah University.
