

Eqbal Darraji

Computer science, Al-Mustansiriyah University
eqbal.darraji@uomustansiriyah.edu.iq

Experience

01/2007 to 01/2015 Lecturer

Al-Mustansiriyah University -Iraq

- Lecturing undergraduate students in Logic Design, C++, Fortran language and Artificial intelligent.
- monitoring the final year students by guiding them in their project and assigning the examination staff. .
- A member of Examination Committee / Al-Mustansiriyah University- Collage of Science-CS Dept.

**01/2016 to 06/2021 PhD Student Network Security/ Secure Routing in VANETs
Loughborough University- UK**

- A member of the Networks and Systems Research group/computer science
- Completed the Essential Teaching Skills course in 2019

PUBLICATIONS

- Eqbal Shemal Mussaa, Athraa Juhi Jani, Anwar H.M. Al-Saleh and Ali A.D. Al-Zuky "Comparative Study of Multi-Scale Retinex with Adaptive and Integrated Neighborhood-Dependent Enhancement Methods for Captured Images at Different Camera Aperture" Journal of Sciences, University of Al-Mustansiriyah, 2013.
- Athraa Juhi Jani, Eqbal Shemal Mussaa, Anwar H.M. Al-Saleh and Ali A.D. Al-Zuky "Evaluate Retinex Enhancement Method for captured Images at Different Camera Aperture using Minimum Distance Classifier" , Iraqi Journal of Science, 2012.

EDUCATION

**2021 PhD: Computer science
Loughborough University- UK**

**2006 M.Sc.: Computer science/Data Security
Technology University — Baghdad,Iraq**

**2003 B.SC.: Computer science
Technology university — Baghdad,Iraq
Ranked the 2nd in the specialisation.**
